

AHMED SHARAF

junior Front-End Developer

Zifta, Gharbia, Egypt • ahmednagahms@gmail.com • + 201030938409

SUMMAEY

A detail-oriented **Front-End Developer** and IT student with a strong foundation in building responsive, user-centric web applications. Proficient in **HTML5, CSS3, and Tailwind CSS**, with a focus on writing clean, functional code and implementing modern **UI/UX** designs. Passionate about logical problem-solving and continuously evolving technical workflows to meet industry standards.

EXPERIENCE

Front-End Developer (Project-Based) | Personal Portfolio Dec 2025 – Present

- **E-commerce Solutions:** Built a fully responsive retail interface (Style Fashion) featuring product grids, filtering systems, and interactive UI components.
- **Agency Web Development:** Engineered a modern marketing agency landing page using **Tailwind CSS**, focusing on utility-first styling and fast deployment.
- **Brand Identity Projects:** Developed a premium web presence for a cafe business, implementing complex layouts, pricing tables, and interactive menus.
- **Responsive Architecture:** Successfully implemented mobile-first design principles across all projects to ensure seamless navigation on all screen sizes.

PROJECT

Digital Pro - Modern Agency Landing Page

ahmednagahms-dot.github.io/Frist-Project-tailwind-css/ •

Mar 2026 - Apr2026

- Developed a responsive agency landing page using Tailwind CSS and utility-first principles.
- Built interactive navigation and search features ensuring a seamless mobile-first user experience.

Style Fashion - E-commerce Front-End Interface

ahmednagahms-dot.github.io/Frist-Project-HTML5-CSS3/ •

Feb 2026 - Mar 2026

- Developed a responsive e-commerce interface using semantic HTML5 and advanced CSS3 features.
- Designed dynamic product grids with interactive hover effects to improve overall user engagement.

Coffee House Landing Page

ahmednagahms-dot.github.io/First-HTML-CSS-project/ •

Dec 2025 - Jan2026

- Built a professional cafe landing page focusing on brand identity and conversion.
- Integrated functional UI components including pricing tables and structured clean CSS architectures.
